

5 January 2009

Mrs Lyn Snow
Honorary Secretary
Gold Coast Greyhound Racing Club
108 Bromley Street
CORNUBIA QLD 4130

Dear Lyn

The Board at their December meeting considered your club's correspondence in regards to the reallocation of the Tuesday and Wednesday meetings to the Gold Coast GRC.

The club would be aware that funding allocations previously provided to the club have now been distributed between Brisbane and Ipswich to conduct the Tuesday and Wednesday meetings. There would be considerable costs in Capalaba GRC becoming a TAB/Sky meetings (including installation of lights) and no guarantee that Sky would allow Capalaba to become a Sky meeting. There would also be logistical problems in the club conducting racing at Brisbane or Ipswich due to these clubs already established with there own committees and staff.

As a result of the Board's consideration of your club's request they wish to advise that race dates and timeslots have been confirmed until the end of June and are unable to accede to your requests at this time.

Yours faithfully

D.M. Beavis
General Manager
